DISCLOSURE STATEMENT

I. INTRODUCTION

On January 18, 2023, DMD Services, Inc. ("the debtor"), filed its voluntary petition for reorganization pursuant to Chapter 11 of the Bankruptcy Code ("the Code"). The debtor's case is presently pending before the United States Bankruptcy Court for the Eastern District of Pennsylvania (the "Bankruptcy Court"). Since the filing date, debtor has operated as a Debtor-in-Possession pursuant to Sections 1107(a) and 1108 of the Code. On July 25, 2023, debtor filed its Disclosure Statement and proposed Plan of Reorganization.

The purpose of this Disclosure Statement is to provide the holders of claims and interests in the company with adequate information about the company and plan in order make an informed judgment about the merits of approving the plan. Accompanying this Disclosure Statement as Exhibit "A" is the debtor's proposed Plan of Reorganization ("the

plan").

II. DESCRIPTION AND HISTORY OF THE COMPANY

The debtor was incorporated in Pennsylvania on October 30, 1992. The corporation's President and sole shareholder is Kim Graves ("Graves"). The debtor was formed in order to own real estate which was purchased on or about November 5, 1992 and is located at 899-893 Main Street, Darby PA ("the property").

On or about August 23, 2001 the debtor obtained a mortgage loan ("the loan") in the principal amount of \$263250.00 from Interbay Funding LLC ("the creditor") secured by the property. The loan was assigned several times over the years and is presently owned and serviced by Community Loan Servicing LLC ("CLS").

III. EVENTS LEADING TO BANKRUPTCY

The original loan was modified by the parties on several occasions, the last of which (the "Loan Adjustment Agreement") was entered into on May 22, 2015. The new loan provided for a new 30 year term in the principal amount of \$874924.06. The loan allegedly went into default on or about June 1, 2017 and foreclosure proceedings were

commenced by the creditor on or about March 15, 2018. A judgment in foreclosure was obtained by the creditor on or about October 25, 2019 in the amount of \$926669.00. Sheriff's sales of the property were scheduled and continued on a number of occasions as the parties attempted to resolve their disputes in Delaware County Common Pleas Court. Although several of the judges presiding over this litigation attempted informally to mediate and assist the parties in resolving the dispute, suggesting amongst other solutions, a lump sum payoff by the debtor to the creditor in an amount roughly equivalent to the fair market value of the property, the creditor was unwilling to negotiate further and a sheriff sale was ultimately scheduled for January 20, 2023.

As stated above, the debtor then filed the instant Chapter 11 petition on January 18, 2023 which stayed the sheriff's sale

IV. REORGANIZATION STRATEGY

Essential to the debtor's future financial success is the approval of the debtor's plan of reorganization, as set forth below, or an amended version thereof. In support of the proposed plan, the debtor has taken certain actions and

will take further actions as set forth below to increase the likelihood of the plan's success.

The debtor's bankruptcy case is classified as a "single asset real estate" ("SARE") case as defined at 11 U.S.C. Sec. 101(51B) which in this case means all of the debtor's gross income is derived from lease payments received from its sole tenant Keya Graves, Inc. ("Keya Graves").

Keya Graves is a corporation which actively operates a catering and event reception business on the site. Kim Graves is a one-third owner of Keya Graves along with his wife, and his son Scott Graves, who manages the daily operations of the business. It has approximately 15 other employees. Keya Graves has successfully operated its business at the property since 2018, and its present 5 year lease with the debtor requires monthly rental payments of \$5000.00 per month (plus real estate taxes, insurance and maintenance) through December 2027. (Exhibit "B"). Keya Graves most recent tax return and financial statements (Exhibit "C") show that it is profitable and grossed approximately \$27,300.00 per month. It has made all rental payments to the debtor in a timely manner since the filing of this case. Likewise, the debtor has made all

timely monthly mortgage payments since the filing of its case to the creditor in the amount of \$3882.00 which represents the proposed plan payment to the creditor required to amortize the proposed principal amount of \$300,000.00 at 9.5% over ten (10) years and which also satisfied the stay requirements for a SARE case pursuant to 11 U.S.C. Sec. 362(d)(3) which now includes the timely filing of a disclosure statement and plan.

V. SUMMARY OF THE PLAN OF REORGANIZATION

Although not a substitute for a careful reading of the plan, the following is a general discussion of the treatment of Allowed Claims and Allowed Interests under the plan.

The following is a summary of the Plan. The Plan, if confirmed, will be binding on the debtor and all creditors, irrespective of the fact that some creditors may have voted to reject the Plan. All creditors are urged to read the Plan carefully.

A. CLASSES OF CLAIMS

The Plan divides the creditors of the debtor into various separate classes. The classes and payments to be made to each class under the Plan are described below:

Class 1: Consists of those creditors who are entitled

to an administrative priority in payment under the provisions of the Code and are to be paid in full from cash on hand at the time of the Court's confirmation of the Plan, except to the extent that these liabilities may be deferred in payment voluntarily.

These creditors include, but are not limited to, the U.S. Trustee for unpaid quarterly fees, if any; unpaid post-petition taxes, if any; debtor's attorney and debtor's accountant, if any. Professionals employed at the expense of the estate of the debtor and entities who may be entitled to reimbursement or the allowance of fees and expenses from the estate of the debtor pursuant to Section 503 of the Code, shall receive cash in the amount awarded to such professionals and entities at such times and only in accordance with a final order pursuant to Section 330 or Section 503 of the Code.

Class 2: Consists of the secured claims of the taxing authorities to whom the debtor is obligated to pay taxes, specifically Delaware County, the Borough of Darby and the William Penn School District. No taxing authority has filed a claim in this case as of the claims filing deadline and the debtor is presently due for 2023 real estate tax

obligations for Darby Borough and William Penn. These taxing authorities do not therefore have pre-petition arrearage claims against the debtor. In the event it is determined that any outstanding taxes are due, the taxing authority shall be paid 100% of their allowed claims on the effective date of the plan on behalf of the debtor with funds provided by Keya Graves pursuant to its lease obligations to the debtor. The tax claims will be combined for payment and class voting purposes and Class 2 is impaired if any taxes are presently due and owing.

Class 3: Consists of the allowed secured claim of debtor's sole mortgagee, creditor CLS. The plan restructures this claim to a reduced term of 10 years, to be amortized in full over the 120 months in monthly installments which commenced on February 1, 2023 at the "Till Rate" in effect on that date of the filing of the case. Class 3 is impaired.

Class 4: Consists of the unsecured claim of the first mortgagee CLS. As this the debtor is proposing to pay CLS the cramdown value of its secured claim (far greater in excess of the current appraised value as set forth below), the plan does not provide for any additional payment to this

creditor on any unsecured amount of its claim. Class 4 is impaired.

Class 5: Consists of the only shareholder of the debtor, Kim Graves. Graves shall retain his ownership interest, but shall receive no other distribution under the plan. Graves, pursuant to his ownership of the debtor and part ownership of the tenant will be providing the funding of the plan pursuant to the receipt of monthly lease payments from Keya Graves Inc. It is asserted by the debtor that the retention of Graves's ownership interest does not violate the "absolute priority rule", should this issue arise, as he is contributing rental, real estate and hazard insurance payments as part owner of the tenant and in that the secured creditor is receiving the full value of of its interest in the estate's interest in the debtor's sole asset, the debtor's principal will receive no new equity and will continue to maintain the property and transmit the monthly mortgage payments following receipt of the rental payment from the tenant Keya Graves.

The summary of amounts and treatment of claims to be paid is attached to the proposed plan as Plan Addendum "A".

VII. PROJECTIONS

Debtor's income projections over a one year period are attached to this disclosure statement as Exhibit "D". They essentially reflect the monthly lease payments to the debtor, mortgage real estate tax and hazard insurance payments and any reserve as needed for necessary maintenance

VIII. LIQUIDATON ANALYSIS

As a condition of confirmation, Section 1129(a)(7)(A)(ii) of the Code requires that each impaired class of claims or interests must receive or retain at least the amount of value it would receive if the debtor liquidated under Chapter 7.

The debtor owns the real property located at 889-893 Main Street, Darby PA, which is its sole asset and was valued by the debtor in its schedules at \$300,000.00 however an appraisal of the property was performed after approval by the court on March 31, 2023 by Rittenhouse Appraisals (Exhibit "E") and the property was valued at \$170,000.00, which is somewhat significantly less than what the debtor valued it at in its schedules and which was the basis for

its proposal to pay the creditor the "cramdown" value of \$300,000.00 over 10 years proposed at the outset of the case and also in the attached plan. Based on the recent appraisal valuation, a forced liquidation pursuant to an execution sale following dismissal of this chapter 11 case would not result in the secured creditor receiving the full amount of its claim or even the cramdown valuation amount proposed by the debtor in its plan pursuant to 11 U.S.C. Sec. 1129(b) (2) (A) (i) (II).

If the case was converted to Chapter 7, CLS would then also receive substantially less than it would through the proposed plan, especially in light of the added level of administrative expenses for a Chapter 7 Trustee, his/her attorney, accountant and the auctioneer who would liquidate the property. Thus the amount that this creditor will receive under the proposed plan is far greater than would be received in a Chapter 7 or mortgage foreclosure sale.

. **IX.VOTING PROCEDURE**

The Court has reviewed this Disclosure Statement and entered an Order determining that these documents contain "adequate information" such that creditors can meaningfully

evaluate the plan. A copy of the Order approving the Disclosure Statement is attached. Only after creditors have had an opportunity to vote on the plan will the Court consider the plan and determine whether it should be approved or confirmed.

All creditors entitled to vote on the plan may cast their vote for or against the plan by completing, signing and causing the ballot form to be returned to the following address in the enclosed envelope:

TIMOTHY ZEARFOSS, ESQUIRE
143-145 Long Lane
Upper Darby, PA 19082
(610) 734-7001

BALLOTS MUST BE RECEIVED ON OR BEFORE 5:00PM ON _____, 2023 TO BE COUNTED IN THE VOTING. BALLOTS RECEIVED AFTER THIS TIME WILL NOT BE COUNTED IN THE VOTING UNLESS THE COURT SO ORDERS.

This Disclosure Statement has been approved by the Court in accordance with Section 1125 of the Bankruptcy Code and is provided to all of the known holders of claims against the debtor. The Disclosure Statement is intended to assist creditors in evaluating the plan and in determining whether to accept the plan. Under the Code, your acceptance of the plan may not be solicited unless you receive a copy

of this Disclosure Statement prior to or concurrently with such solicitation.

A. Persons Entitled to Vote on Plan

Only the votes of classes of claimants and interest holders which are impaired by the plan are counted in connection with confirmation of the plan. Generally, this refers to creditors who in some fashion will receive less than full payment of their claims.

In determining acceptance of the plan, a vote will only be counted for a creditor whose claim is duly scheduled by the debtor as undisputed, non-contingent and unliquidated, or who has timely filed a Proof of Claim which has not been objected to or disallowed prior to computation of the votes on the plan. The ballot form itself does not constitute a proof of claim. Unimpaired claims are deemed to have accepted the plan and the debtor also takes the position that the failure to return to debtor's attorney a properly served ballot constitutes an acceptance of the plan.

B. Hearing on Confirmation

The Court will set a hearing to determine whether the plan has been accepted by the requisite number of creditors and whether the other requirements for confirmation of the

plan have been satisfied. Each creditor will receive, either with this Disclosure Statement or separately, the Court's Notice of Hearing on Confirmation of the Plan.

C. Acceptances Necessary to Confirm Plan

At the confirmation hearing, the Court must determine, among other things, whether the plan has been accepted by each impaired class. Under Section 1126 of the code, an impaired class is deemed to have accepted the plan if at least 2/3 in amount and more than 1/2 in number of the allowed claims of class members who have voted have voted for acceptance of the plan. Further, unless there is acceptance of the plan by all members of an impaired class, the Court must also determine that under the plan, class members will receive property of a value, as of the effective date of the plan, that is not less than the amount that they would receive if the debtor liquidated under Chapter 7 of the code.

D. Confirmation of Plan Without Necessary Acceptances

The plan may be confirmed even if it has not been accepted by all of the impaired classes if the court finds that the plan: 1) does not discriminate unfairly against such class or classes; 2) such class or classes will receive or

retain under the plan not less than it would receive under Chapter 7 liquidation; and 3) is fair and equitable to such class or classes as set forth in Section 1129(b) of the code. Section 1129(b) of the code requires that among other things, the class must receive the full value of their claims, or if they receive less, no class with junior priority may receive anything. For example, if the plan does not propose to pay the class of unsecured claims in full and this treatment is not accepted by the class, then the junior class of shareholders may not receive or retain property, unless the court approves the contribution by the shareholders of "new value" related to the shareholders participation in equity.

X. OBJECTIONS TO CLAIMS

Notwithstanding the occurrence of the Confirmation date or the Effective date, debtor may object to the allowance of any claim not previously allowed by final order whether or not a proof of claim has been filed and whether or not the claim has previously been scheduled.

XI. CONTESTED CLAIMS

Notwithstanding any other provision of this plan, a contested claim will be paid only after allowance by the

Court or upon stipulation of the debtor and the claimant involved, as approved by the Court. If allowed, the contested claim will become an allowed claim and shall be paid on the same terms as if there had been no dispute. While the need for resolution of contested claims will not delay payments of other claims, no distribution shall be made on a contested claim until it is allowed.

XII. EFFECT OF CONFIRMATION

A. Discharge of Claims; Injunction

Except as otherwise expressly provided in the plan, the entry of the Confirmation order shall act to permanently enjoin all persons who have held, hold or may hold claims against the debtor as of the Confirmation date (a) from commencing or continuing in any manner any action or other proceeding of any kind with respect to any such claim against the debtor, (b) from the enforcement, attachment, collection or recovery by any manner or means of any judgment, award, decree, or order against the debtor or property of the debtor with respect to any such claim, (c) from creating, perfecting or enforcing any encumbrance of any kind against the debtor thereof, or against the property of the debtor with respect to any such claim, and (d) from

asserting any setoff, right of subrogation, or recoupment of any kind against any obligation due from the debtor thereof, or against property of the debtor, with respect to any such claim. To the extent, however that the debtor defaults under the terms of the plan and such default is not cured within thirty (30) days after debtor and its attorney receive notice of the default as provided for by the plan, the injunction shall be void.

B. Terms of Injunction or Stay

Unless otherwise provided, all injunctions or stays provided for in Chapter 11 cases pursuant to Sec. 362(a) of the Code or otherwise shall remain in full force and effect until the Effective Date at which time the injunction under Section VI of the plan shall be in force.

C. Injunction Against Interference with the Plan

No entity may commence or continue any action or proceeding or perform any act to interfere with the implementation and consummation of the plan and the payments to be made hereunder.

XIII. DISBURSING AGENT

Distribution to creditors shall be made by the debtor, who shall serve as disbursing agent in accordance with the

plan.

XIV. RETENTION OF JURISDICTION

The Court shall retain jurisdiction after the effective date of the plan, until all payments and distributions called for under the plan have been made and until entry of the final decree, with respect to the following matters:

A. To hear and determine objections to claims and to allow or disallow any claim.

B. To fix and award compensation to parties who may be so entitled.

C. To recover all assets and properties of the debtor, wherever located, to the extent necessary for the consummation of the plan.

D. To interpret the provisions of the plan, and to make any order which may be necessary or appropriate to carry out the provisions of the plan.

7.2 Terms of Injunctions or Stays. Unless otherwise provided, all injunctions or stays provided for in Chapter 11 cases pursuant to Sec. 362(a) of the Code or otherwise shall remain in full force and effect until the Effective Date at which time the injunction under Section VI of the plan shall be in force.

7.4 Confirmation Order. Except as provided in Section 1141(d) of the Code, and as otherwise provided in the plan, the provisions of the plan and confirmation order shall bind

the reorganized debtor and all holders of claims or interests and will be a judicial determination of discharge of the debtor from all debts that arose before the confirmation date, whether or not a proof of claim based on any such date or liability is filed and whether or not a claim based on such date or liability is allowed under Section 502 of the Code and whether or not such holder is impaired under the plan and whether or not such holder has accepted the plan and shall terminate all rights, claims, and interests of such holder, except as provided for in the plan

If allowed, the contested claim will become an allowed claim and shall be paid on the same terms as if there had been no dispute. No payments under the plan shall be made with respect to all or any portion of a contested claim unless and until any and all objections to such claim shall be determined by a final Order. After the effective date of the plan, only the debtor shall have the right to object to a claim. Objections not filed within 60 days of the effective date of the plan shall be deemed waived.

X. RETENTION OF JURISDICTION

The Court shall retain jurisdiction after the effective date of the plan, until all payments and distributions called for under the plan have been made and until entry of the final decree, with respect to the following matters:
